Dragon Partnership Application Form

Charities

Recognising the great inequalities in society today, our Social Impact programme aims to support local, national and international organisations that seek to improve the lives of children and young people through:

- The advancement of education (both academic and extra-curricular)
- · The Improvement of physical & mental health and well-being
- The relief from poverty, including access to clean water and sanitisation, technology, food and security (e.g. foodbanks, homeless and refugee charities)
- The protection and improvement of our environment
